

About being a Board Member for MTYS

Currently our board consists of 15 people/positions that share the workload of operating the soccer organization. Our organization is completely private and is wholly owned by the members of the organization. We receive no funding from the township, all of the clubs funds are derived from registrations, fundraisers, and sponsorships. As a board member you have many responsibilities, but the most important one is the continued operation and funding of the club. Below are some basic details about being a board member. Please read this carefully and consider all items before deciding to join the board. Of note if you can only donate time in small chunks or have a particular skill that would be of benefit to the club, we are always looking for volunteers to help outside of the board.

How do I become a board member?

Board members are nominated at our open meeting in November. Any voting member may be nominated to the board. A voting member is someone who is either a current Director, Official Coach, or a parent/guardian of current players in the league. Once nominated you must accept your nomination. At the banquets there will be ballots handed out to members in order to vote for the board members. You are elected to the board by majority vote and it is also dependent upon how many positions are available. Currently this year we have approx 12 positions available.
